

Architectural elevation drawing of the front facade of a building. The drawing shows a multi-story structure with a central entrance and two side wings. The facade is divided into several rectangular sections. The central entrance is a large rectangle with a smaller rectangle above it. The side wings are smaller rectangles. The drawing includes dimensions for the overall height and width, and for individual sections. The height is measured from the ground level (0.00) to the roof level (18.75). The width is measured from the left edge to the right edge. The drawing is labeled "2 ELEVATION" and "SCALE = 1 : 200".
