

The site plan shows a rectangular building footprint divided into 19 retail units, labeled RETAIL 12 through RETAIL 46. The units are arranged in a grid-like fashion. Key features include:

- Drop-off Area:** A designated area labeled "DROP OFF" with a "NO PARKING" sign, located adjacent to the building's side elevation.
- Bus Stop:** A bus stop is located on the left side of the plan, near the "CENTER LINE" and "WALKWAY".
- Walkway:** A "WALKWAY" is shown along the bottom edge of the building footprint.
- Elevations and Setbacks:** Various elevations (e.g., F.F.L. +3.00, F.F.L. +3.50) and setbacks (e.g., 1:200, 1:200) are indicated throughout the plan.
- Center Line:** A "CENTER LINE" is marked along the bottom edge of the plan.
- Other Features:** A "CONDOCK BAS" (condock basin) is located near the bus stop, and a "VERANDAH WALK" is shown along the side of the building.
