Detail '2'
retaining wall

Architectural floor plan of a female toilet facility. The plan shows a rectangular room with a "FEMALE TOILET (WAV)" area containing two sinks and two toilets. A "CORRIDOR" is located outside the main room. Dimensions are provided in feet and inches: overall width is 4'5" (1315mm), overall depth is 5'1" (1549mm), and the main room depth is 4'9" (1457mm). A door is shown on the right wall. A handwritten note "Approved" is visible in the top right corner.
